

To Whom it May Concern:

Creative Artists Agency has had the pleasure of working with Brian Knaff, owner of Talent Buyers Network, for over 15 years. We have booked countless events with Brian, and it continues to be a pleasure to work with him and his staff to fulfill our mission of bringing the finest live performance concerts available to his clients from our Nashville and Los Angeles music and comedy rosters. We are always impressed by the incredible professionalism shown throughout the booking process. TBN never misses a detail in our artists' marketing and advertising requirements; they respect and understand our artists' production needs.

Essentially, TBN is the type of producer we wish every other event producer would model. Our clients want to return to the venues TBN books them in. On behalf of Creative Artists Agency, I am delighted to recommend Brian Knaff and his organization to anyone seeking new representation in the event and concert promoting business. I look forward to their continued business in 2008.

Kind regards,
