To whom it may concern:

Over the past seven years Indian Gaming Magazine has had a close relationship with Talent Buyers Network. They are a team that has weathered the ups and downs with all of us in Indian Country and they have proven their expertise over and over buying, producing and presenting talent for a many different casinos at every level. They also are the company we go to when we want "in depth" articles concerning the different facets of entertainment for our readers.

We like Talent Buyers Network, we wish them well and we highly recommend them to our clients. You will be in very good hands working with anyone at Talent Buyers Network.
